

Hello Event Attendees:

We are looking forward to seeing you at our upcoming event. Please plan to arrive 15 minutes early to allow enough time to park, walk, select a seat, grab a beverage, and say hello -- so we are ready to start promptly.

#### FREE PARKING AT METERS:

Metered street parking is limited on Margaret Morrison, Tech, and Frew streets. The parking meters are under the authority of the City of Pittsburgh and are strictly enforced. Parking is free after 6 p.m. on Friday night and all day on Sundays.

#### FREE PARKING LOT ON WEEKENDS:

There are free parking spots in the Morewood Parking lot on weekends. If you plan to park in the Morewood parking lot, use the GPS address provided. It's an approximate 10 minute walk to the Margaret Morrison building. You can walk across the path that crosses the grassy area called The Cut and turn left on the walkway behind the Cohon University Center (student union) building. You can enter the Margaret Morrison building from the back door if you are coming in that direction.

**GPS Address: 1046 Morewood Ave. Enter using the driveway between Stever and Mudge halls. It looks like a driveway.**

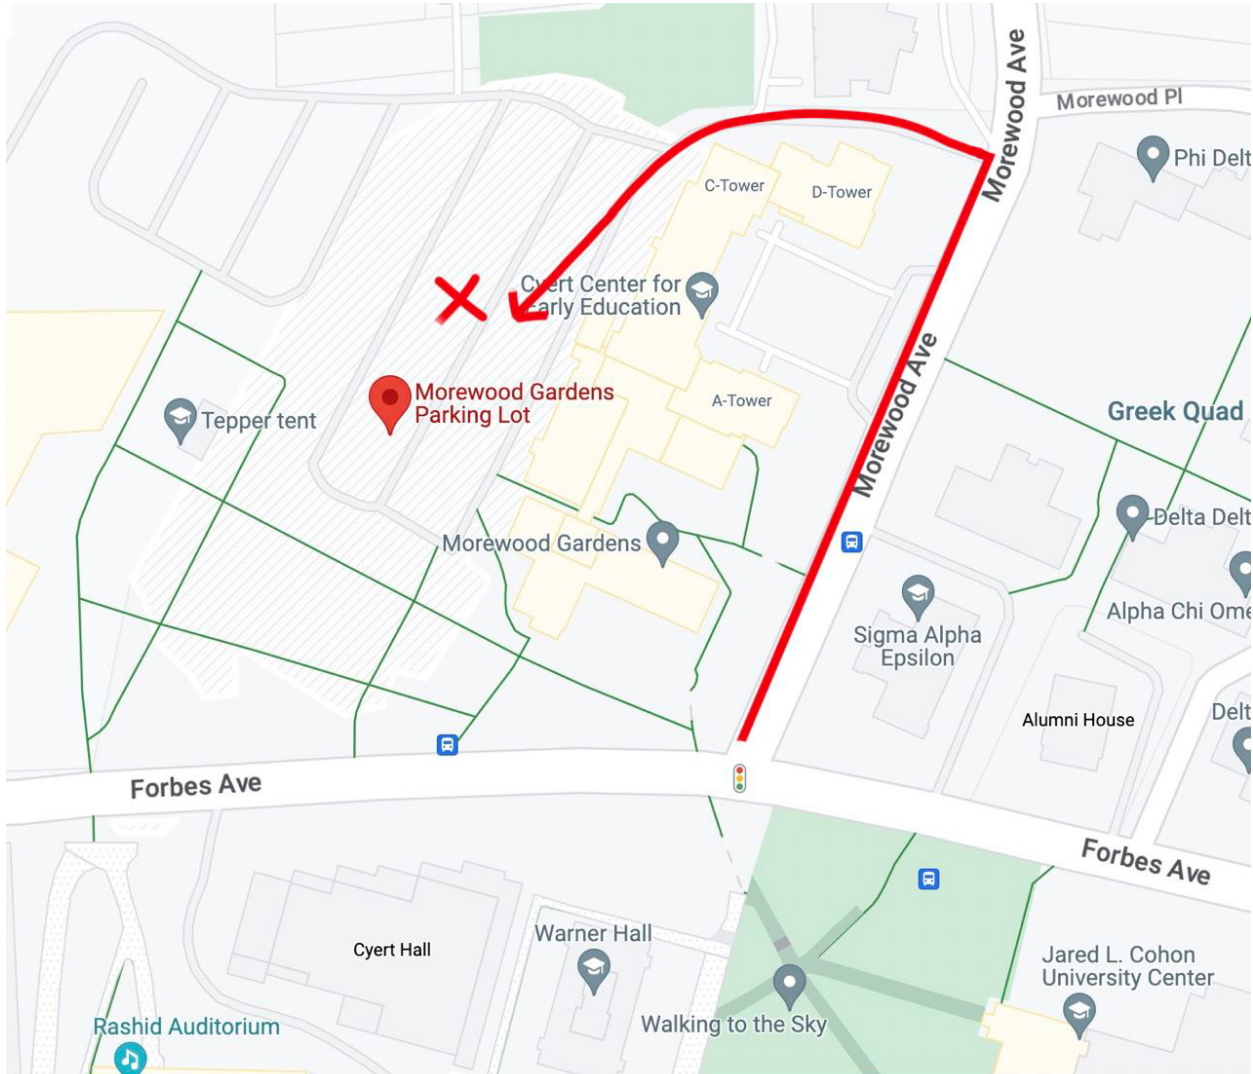

#### MARGARET MORRISON BUILDING

The doors to the Margaret Morrison building may be locked. We will be watching the front and back doors as much as possible. If you are not able to enter when someone else is coming into the building, please call Karen's cell: 412-680-3512.

We will be in **Room 203 on the Second Floor**. If needed, there is an elevator down the hall to the left of the front entrance.
